FAQ & Quality Standard

🔹 What is your quality standard?

We follow international apparel AQL 2.5/4.0 inspection standard. All goods will be inspected before shipment, to control stitching, fabric defects and workmanship.

🔹 Can I get a sample before bulk order?

Yes. Pre-production sample is required for confirmation before mass production. Sample cost and freight will be quoted separately.

🔹 Can we change design after sample is confirmed?

Minor adjustments are acceptable. Major changes will re-adjust quotation and lead time.

🔹 What if there are defective goods after receiving?

Please provide clear photos within 7 days after goods arrival. We will negotiate a proper solution.

🔹 Can you provide product-related certificates?

We can support GCC, REACH, test reports upon request.

CPC certificate is available on request if you need kid's apparel certification for US market. Note: our main product line is adult lingerie.
